To whom it may concern:

I am delighted to write a letter of recommendation for Marly Driskell. We had the pleasure of meeting Marly in March of 2010 when we hired her as our overnight nanny. Marly assisted us in bringing home our triplets after spending three months in the NICU. Marly aided us every step of the way and was able to formulate a schedule, recommend feeding techniques, and many other tips to make bringing our babies home so much easier. All three babies were on oxygen and apnea monitors and were on multiple medications and Marly was comfortable and competent in working with the monitors and dispensing medications.

Marly was dedicated, flexible, punctual and extremely kind with our children. She was a pleasure to have in our home and any family would be lucky to have her as a nanny.

I am happy to recommend Marly as a nanny to anyone!

Sincerely,

Lauren L.
