Dear Marly,

On behalf of CPI, and Mr. Guenther and I personally, want to thank you for doing such an excellent job of baby-sitting for David Wolfowitz, son of the United States of America's Ambassador to Indonesia, Paul Wolfowitz, during the week-end of 24-25 May.

The Ambassador was very pleased with your care of David, particularly considering his diet which was most important. The Ambassador remarked on your maturity and I want you to know that your actions reflected upon all our American young people in camp .

Again, we sincerely thank you.

Best Regards,

Mr. & Mrs. G.
