

Recommendation for Marly Driskell

To Whom It May Concern:

It is with great pleasure that I enthusiastically recommend Marly Driskell for employment. She possesses a genuine understanding of children and the experience to address the entire range of their needs.

I have known Marly for more than five years. She was referred to us by a trusted friend when we were seeking a sitter for our then, three year old daughter.

Our daughter would look forward to her special time with Marly each week. In turn, my husband and I would leave for the evening knowing that all would be well.

Without exception, Marly is responsible and responsive; simply a pleasure to be around. Her manner is warm, caring, and upbeat. Any family fortunate to have Marly care for their children would be assured of a trustworthy partner.

Sincerely,

Linda S-C.
